Ask it Basket Questions

In the future, register early, so green dots can be matched up with a mentor earlier.

Going face to face is up to the IG. and the indiv. mtg.

WSBC combined pamphlets to make 1 - process taking time, but expect more combined literature, like the "Where do we start?"

As literature is combined the seal of approval is removed from former + placed on the new piece of material. The former is now available to download - ex. "what if you don't believe in God?"

Expect fewer pamphlets in future. If you want to propose <sup>reconsidered</sup> ~~bringing back~~ retired pamphlet contact WSBC thru an application to R2 by Dec. 1

is the deadline to submit motions - ex "Remove HIM in St workshop - Recovery Roadmap - add new locations + consider what's limiting to your recovery today?"

committees Unity w/ Diversity - large group primary concern about how we include or exclude people that are underserved + underrepresented, marginally represented - groups encouraged to define principles + outline side issues, micro aggressions. Remind mtg of the 5 min step in Step Out exercise. The emphasis is on connecting with the newcomer + follow-up on members who leave, cultivating a culture of listening. We do not discriminate - possibly reading our diversity policy to the newcomer. Make out reach calls + est. a position of New Comer greeter.

P.O. Public Outreach - Goal to outreach to all 16. not present Y.P. Young Persons - white supremacy infiltrating our organization - hot issue.

O.C. Outreach Committee - Offer support + resources to 11 groups not represented.

12 steps w/in Committee - "The 1st 12 days in OA" out of Australia just approved for newcomers + "Binge, Slipping + Sliding" + "12 Stepping a Problem" wallet card.
