COMMITTEE WORK 10:30-11:40. Unity with Diversity has new name Diversity Community. Also, they eliminated chair, V-Chair. Ken is part of the Leadership Com. They have been meeting a lot since Jan - weekly 9am-10:30 sat. They devised a survey + got permission yesterday to administer - Great feedback. The convention chair, Lynn, wants a diversity member to help with events - to accommodate fellows. We were reminded it was only 2 yrs. ago we were granted, scent free assemblies - Many felt there are additional needs for Diversity advisors. ex. By-laws, outreach, 12 steps, literature, Publications. Be on the look-out for the survey. They may be handouts at events + pks. Diversity is partnering with young persons - similar issues/concerns/goals. still very emotionally charged. They are using "survey Monkey" - \$350 initial fee - but can use multiple times.
